

# Your One Solution

Office Furniture, Outstanding Services —  
Get More From Miller's

M I L L E R ' S

first, we listen...

# At Your Service

Furniture may be what put Miller's on the map, but our services are what will take your business to the next level.

At Miller's, we see ourselves not as merely your dealership but a dedicated extension of your business, a trusted partner that will help keep your people productive and your investment protected.

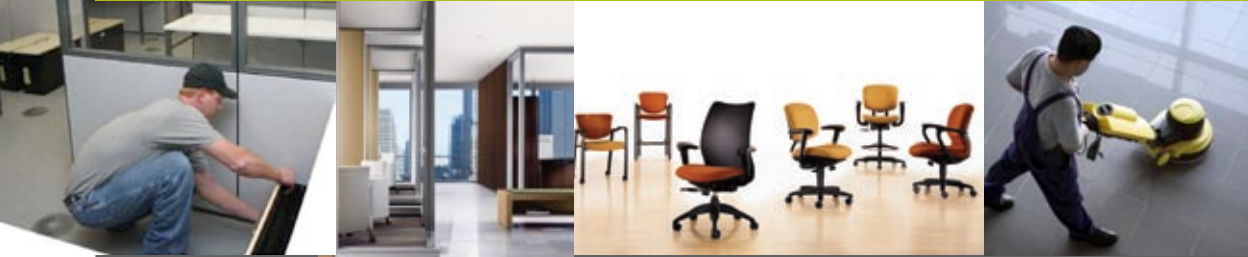

Miller's is your single source for a multitude of service solutions.

Furniture is just the beginning – and what follows is a portfolio of stellar services that redefine your expectations of successful facility management. From the distinctive Miller's Solution Development, Total Logistics Coordination, After Sales Experience and Furniture Asset Management to our Installation Quality Assurance, you can count on your Miller's team to meet your needs – no matter where your business takes you.

Make Miller's your one solution.

# the Power of One Provider

## Miller's Solution Development

**First, we listen. Then, we deliver – again and again.**

We focus not just on furniture but something more: your success. Our intuitive Miller's Solution Development optimizes your space with:

- Analyze your environment
- Design and inspire your people
- Provide 3D renderings, and CAD drawings
- Install and finishes
- Ensure purchasing accuracy and pricing consistency
- Deliver quality products and services

Our realistic renderings enhance the accuracy of your space review and product ordering.

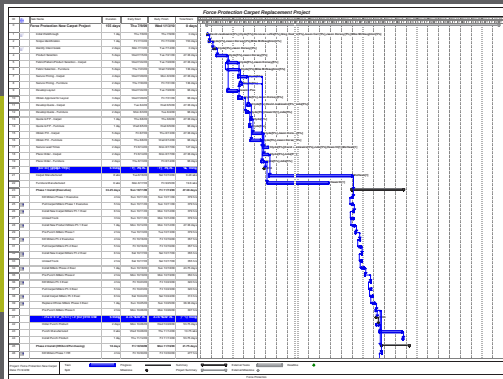

# Miller's Total Logistics Coordination

Because you deserve a little TLC.

Simply put: We take good care of you. Miller's TLC delivers dedicated, detail-oriented project management:

- a secure web portal
- a dedicated project manager
- a team of experienced trade professionals
- a comprehensive project schedule

Microsoft Office Project keeps Miller's and client teams on the same page, through every project phase.

# Miller's After Sales Experience

The ASE in your hand.

Installation is just the beginning. Miller's ASE keeps your furniture – and your facility – in top form with ongoing support services, including:

- a comprehensive warranty
- a dedicated ASE team
- a team of experienced ASE professionals
- a comprehensive ASE schedule

*"We're very impressed with your team — very professional and courteous. It's nice working with a group who doesn't just do the job but also cares about the end user and the end result."*

– Tonya K. Smith, SunTrust Corporate Real Estate

# Miller's Furniture Asset Management

We keep your family of assets positively productive.

You've spent good money on furniture. Now it's time to protect your investment with Miller's FAM. Fueled by the industry-leading Snap Tracker software, we'll manage your assets with services like:

- purchase versus when it hits the warehouse
- 
- 
- 
- 

Fueled by the leading Snap Tracker software, your Miller's team will manage your assets.

# Miller's Installation Quality Assurance

Rest assured, we get the job done right – every time.
